Robby,

Again I just wanted to thank you for all of your hard work and would be willing to have you back in Polk County any time.

I just wanted to let you know how much we appreciate the hard work you guys did while in Polk County. Construction jobs can bring lots of challenges to the table. However, what sets you apart from the rest is how you handled those challenges. It is rare to find a contractor willing to go above and beyond and you and your team proved this repeatedly throughout the course of the job. I wanted to thank you again for sending your team back out after the project was complete and surveying all of the meters for leaks. That proved to me that you're willing to do whatever it takes to get a job done right.

Sincerely,
